

## 4 | BUILDING BLOCK 4 - TRUST

### Building blocks for Good Relationships | Trust

The Greek word *pepoithesis* means 'to trust' or 'rely on'.

#### Jesus as an example

**Matt 27:43**

Even when Jesus faced death, bystanders said that Jesus had put His trust in God

**Mark 11:22**

Jesus was very clear with His disciples: Have faith in God!

#### Did Jesus trust everyone?

**John 2:24**

Jesus was careful in which people to trust. He knew from His Father who to trust and who not to trust. He knew people's hearts.

Yet He was very normal with people He knew were going to betray Him. And He remained open and sincerely normal with Judas and Peter, despite His knowledge of their coming betrayal.

Jesus was anchored in the love of the Father. Jesus knew who He was and what the plan was. He was not moved by traitors around Him. He knew the hearts of Judas and Peter. Judas was evil, Peter was not.

Peter would betray out of fear, but he would run back just as hard to his Savior and Master.

#### What does the Bible say about trust in relationships?

**Ps 118:8,9** (trust in God instead of prominent people)

**Prov 25:19** (do not rely on untrustworthy friends)

#### Trust in God, His promises are true

**Ps 9:10**

God will not abandon anyone who trusts in Him

**Ps 37:3-5**

God will make it happen

**Ps 52:8**

You always stay "green"

**Ps 91:1,2,3,4,11-16**

He is your protector against evil

**Ps 125:1**

You will be unmovable

#### The Secret of Jesus

**John 19:11**

In all circumstances and in all the relationships that He had, Jesus was certain in His trusting in His Father. He knew that nothing could happen to Him because He and the Father had agreed. Jesus chose to trust in all circumstances. He also demands this attitude from His followers.

He gave His life not only for His friends, but even for His enemies.  
*Eph 5: 25-27*

Jesus acknowledged His Father's authority, He trusted Him. This allowed Him to be a blessing to His followers. Christ can be trusted, so must His servants also be trustworthy.
